

TEQUILA
DAHLIA[®]
CRISTALINO

TEQUILA DAHLIA IS A REPOSADO FINISHED WITH THE CRISTALINO PROCESS TO CREATE THE SMOOTHEST, MOST DELICATE LUXURY TEQUILA CRAFTED TO SIP EFFORTLESSLY FROM DAYTIME TO NIGHTFALL.

— TASTING NOTES —

Starting with the finest estate grown 100% mature Blue Weber Agaves, our sustainable production process extracts the best of each piña leaving very little waste.

The Tequila is then aged in oak barrels until it achieves the desired richness of the most robust Reposados.

The last step in order to become Tequila Dahlia, is to be purified through the most advanced charcoal filtration technology, reducing impurities and resulting in Dahlia's signature, clean flavor.
